

MONICA ANDREOLI

FULL STACK DEVELOPER

PROFILE INFO

I am a professional creative developer who shaped skills and expertise as a self-thought for more than 1 year before enrolling in a coding Bootcamp. I am very ambitious and passionate about what I do, with a constant thirst for learning new technologies. I can work alone or as part of a team, determined and motivated on my tasks.

WORK EXPERIENCE

APR 2021 - PRESENT

**FULL STACK DEVELOPER | RUBY - JAVASCRIPT
MENTORJAM**

Working closely with the CTO on the definition of a strategic development roadmap of an ecosystem technology, ensuring scalability and infrastructure engineering. Scoping, prioritizing, and developing new features and modules, applying an effective testing strategy.

EDUCATION

JAN 2021 - MARCH 2021

**FULL STACK WEB DEVELOPMENT BOOTCAMP
LE WAGON AMSTERDAM**

Shaped knowledge from database to user interface. Focused on OOP structure. Developed and deployed web apps from scratch.
