PERSONAL LIFE

I am a 28 years old diligent professional who lived and studied abroad. With a dynamic and enthusiastic personality and an eagerness curiosity to learn something new.

Outdoor activities and travels lover with a good out-of-the-box thinking.

COMPETENCIES

- Experienced team player (*Git, Github, Figma*)
- Front-End development skills (*React, JS*).
- Back-End development skills (*Ruby on Rails*) and querying Database knowledge (*SQL, PostgreSQL*)
- deployment environment tool (*Heroku*)

PROFESSIONAL PROFILE

I am a full stack web developer who discovered coding less than two years ago and fell in love with it. My deep interest and passion refers either to front-end and back-end development sectors.

CAREER

Receptionist

Olympic Hotel Amsterdam | Jul 2020 - Dec 2020

While studying, I covered a position as Front Desk Receptionist.

FOH Manager

Julius - Brisbane | Jun 2018 - Apr 2020
